

### **RSPB Birdwatch**

If you are participating in the RSPB bird watch you might like to use this recipe to attract the birds.

### **How to make Bird Cakes**

You'll need: bird seed, lard, string, cookie cutters, bowl

1. Mix lard (or vegetable suet) and bird seed.
2. Squash mixture into the cookie cutters.
3. Place in the fridge for an hour.
4. Prize the cake out of the cutters.
5. Make a hole in the cake, thread some string through and hang up outside!

Hanna and Bianca have also made some bird feeders out of empty juice cartons at a recent Eco event for First schools, that we hosted. They have been very pleased to see that the feed is going down daily.

St Mary's Eco-council will be taking part at school on the 28<sup>th</sup> January. If you would like to take part of this at home please go to; [rspb.org.uk/bigardenextra](http://rspb.org.uk/bigardenextra).
